

# Is This Your Money?

## No LABEL - No IDENTIFICATION No CREDIT

**Would you lodge cash in a bank's night safe without including your name and account details with the lodgement?**

Seems crazy doesn't it? Yet every day newsagents around the country are sending back returns without any identification.

You must identify **every parcel** with a bar coded Newsread delivery label.

**Credits cannot be processed for unidentified returns.**

**\*\*MANAGE YOUR RETURNS WISELY - TREAT THEM LIKE CASH\*\***
